

TIPS FOR SELLERS

There are a few things you can do to make sure you have to best chance of selling your firearm!

01

CLEAR PICTURES

Make sure the pictures you are taking are clear and well lit, you want to be able to see any features the gun has and show the true condition of the firearm.

02

ACCURATE DESCRIPTION

When describing your firearm, make sure the description is accurate. This includes the firearm make, model and caliber. Also be sure to include any accessories.

03

BE RESPONSIVE

When selling a firearm, people are going to have questions, make sure you get back to people as quickly and accurately as possible.

04

FEATURE YOUR AD

Considering paying that little bit extra to have your add featured. This adds your gun to our home page rotation and puts a 'featured' sticker on the thumbnail.
